

ACCEPTABLE USE POLICY

This is the acceptable use policy, which, together with our terms of use of the application, sets out the terms under which we Bearings Point Limited, the legal owner of Dysh, registered in England and Wales under company number 05344499 at registered office address International House, 142 Cromwell Road, London SW7 4EF allow you to use our digital application (“application” or “app”) whether you are a visitor or a registered user. All enquiries should be directed to comms@dyshus.com.

Please read the terms of this policy carefully, as by using our site you indicate that you agree to comply with and be bound by them.

Acceptable Uses Of Our Application

We are Dysh, a platform connecting young people with global conversations. And we’re so excited to have you here!

Our platform is built to facilitate young minds connecting internationally, engaging curiously and discovering new opportunities in a safe space.

We invite you to join the conversation via the Dysh app.

Acceptable uses of our platform

For Users:

- A) Discover an article, a lounge or a group via our app or website
- B) Reflect on the conversation,
- C) Share your thoughts via the chat or review functionality on the app

For Content Creators

- A) Publish vetted content for our audience aged 18-35
- B) Initiate and engage users in conversations on the related topics
- C) Share relevant resources for the wider audience on the platform to read
- D) Moderate lounge specific groups

Prohibited uses of our Application

Whether you are a visitor or registered user, you must comply with our terms of use, and use our application for lawful purposes only.

In particular, you must not use our application for the uses listed (without limitation) below:-

- any fraudulent activity;
 - any activity which breaches any applicable law or regulation, whether national or international;
 - any activity which may cause or result in harm to a child under 18 years of age;
- sending unsolicited advertising or other content (spam), or entering into any arrangement for

such material to be sent;

- reproducing, selling or otherwise handling our site or its contents in breach of our terms of use;
- knowingly introducing to our application, or transmit or attempt to transmit to any other application or website, computer or network, viruses, trojans, worms, logic bombs or other material, code or programme which is malicious or technologically harmful;
- attempting to gain unauthorised access to our application, our software, our server, or any server, computer or database connected to our application; or attacking our application via a denial-of-service attack or a distributed denial-of service attack.
- contributing and interacting

Our application may offer users facilities to upload or contribute content or other material, or to interact with other users. When making use of these facilities, it is your responsibility to ensure that any contribution or interaction is, as far as you are aware, factually correct, represents your honest opinion, and does not breach any applicable law or regulation.

In addition, any contribution or interaction must not include any material which (without limitation):-

is defamatory, obscene, offensive, hateful or inflammatory;

is, or refers to material which is, sexually explicit;

promotes violence, illegal activity or any form of discrimination;

infringes any other person's copyright, database right or trademark;

threatens, harasses, upsets, embarrasses, alarms or annoys any other person, or is likely to do so;

advocates, promotes or assists any illegal activity;

is likely to deceive any person or is made in breach of a legal duty owed to a third party (such as a duty of confidence);

invades another's privacy or cause inconvenience or anxiety to any person;

is used to impersonate any person, or to misrepresent your identity or affiliation with any person;

or

gives the impression that the material emanates from us, if this is not the case.

MODERATION

If we at any time use our application to provide users with any interactive service, the following moderation provisions will apply:-

we will notify users if moderation is in place, and, if so, whether the moderation is provided by a person or is automated;

Where our moderation policy is in place, we will give you a means to contact the moderator; and to understand the due process for being allowed to continue to engage on the Dysh app.

Although Dysh, retain the responsibility to moderate all public lounges and groups, it is primarily the responsibility of the lounge owner to moderate their space. However, we will be under no obligation to moderate it, and we expressly exclude any liability for any loss or damage to any person caused by use of it; and children should at all times be supervised when using the interactive services on our application, whether such services are moderated or not.

BREACHES OF THIS POLICY

Any breach of this acceptable use policy will be dealt with in the same way as breach of our

terms of use, and we reserve the right to take any other action we reasonably deem appropriate, including restricting your use of our application and / or taking legal action against you. We are not liable for any loss or damage caused by any breach of this acceptable use policy.

AMENDMENTS

We reserve the right to amend this policy at any time and to determine what is acceptable for engagement on the app, therefore we may revise this acceptable use policy at any time.
